

Certifications of Agricultural Crops

Osotspa's sources Bonsucro-certified cane sugar from suppliers in Thailand as part of its sustainable and traceable agricultural commodity sourcing. The certification provides a systematic approach to assessing and demonstrating sustainability performance against predefined criteria, including responsible agricultural practices, environmental stewardship, biodiversity and ecosystem considerations, and social and labor standards.

Agricultural crop	Amount (metric tonnes)	Certification	Percentage of certified crops
Sugar	18,798	BonSucro	3%

The relevant Bonsucro Certificate is attached below as supporting evidence of the certified cane sugar sourcing.
